

Want to host a Tiamo private concert?

How It Works:

- 1) You host or co-host a private acoustic concert in your home (or someone else's home) or a public venue that you rent out for the private event.
- 2) You invite your friends and charge \$20 per ticket. A minimum of 20 RSVPs is required.

Host Perks:

- 1) Free Tiamo "fear less, love more" T-shirt or...
- 2) Free CD (or download card)

Please "X" any of the following that apply, include your contact info on the bottom of the page, and Tiamo will follow up with you.
